There's a shadow just behind me
Shrouding every (1)_____ I take
Making every promise empty
Pointing every finger at me
Waiting like the (2)_____ butler
Whom upon the finger rests
Murder now the path called "must we"
Just because the Son has come
Jesus, won't you fucking whistle
Something but what's past and done?

Something but what's past and done?
Why can't we not be sober?
I (3)_____ want to start this over
Why can't we (4)_____ forever?
I (5)_____ want to start this over
I am just a worthless liar
I am just an imbecile
I will only complicate you
Trust in me and fall as well
I will find a center in you
I will (6)_____ it up and leave
I will work to elevate you
Just enough to bring you down
Mother Mary, won't you whisper
Something but what's past and done?
Mother Mary, won't you whisper

Something but what's past and done?
Why can't we not be sober?
I just want to start this over
Why can't we sleep forever?
I just want to start (7)_____ over

I am just an imbecile
I will only complicate you
Trust in me and fall as well
I will find a center in you
I will chew it up and leave
Trust me
Trust me
Trust me
Trust me
