

Tonight by Alex Band

...

Well the sky broke in two
Found you dancing alone
Then the room filled up (1)_____ you
And (2)_____ song we both know
That's when you caught me with (3)_____ eyes
And sent shivers down my spine
And then you whispered in my ear
You said "I can feel it too"
And then you (4)_____ me into you
Tonight
I got you (5)_____ I want you
Closer I can tell you anything
You're the song that I sing
Tonight
Let the music take us over
We'll fall (6)_____ forever, all is right
Cause I got you where I (7)_____ you
Tonight
Tonight
Through all of science and history
Well nothing's ever (8)_____ with me
But now I'm locked on to you
And I'm holding on to
The only thing I know

Fill in the gaps

And now I'm never letting go
Tonight
I got you where I want you
Closer I can tell you anything
You're the song (9)_____ I sing
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight, tonight
The whole (10)_____ could fall away
But you and I
No we won't be afraid
Tonight
I got you where I want you
Closer I can tell you anything
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight
I got you where I want you
Tonight

Answer

1. with
2. that
3. your
