

Still Alive by Portal

Fill in the gaps

This was a triumph
I'm making a note here
HUGE Success
It's hard to overstate my satisfaction
Aperture Science
We do what we must because we can
For the good of all of us
Except for the ones who are dead
But there's no sense crying over every mistake
You just keep on trying until you run out of cake
And the science gets done and you make a neat gun
For the people who are still alive
I'm not even angry
I'm being so sincere right now
Even (1)_____ you broke my heart and
(2)_____ me
And (3)_____ me to pieces
And threw every piece into a fire
As they burned it hurt because
I was so happy for you!
Now these points of data
Make a wonderful line
And we're out of beta
We're releasing on time
So I'm glad
I got burned
Think of all the things we learned

For the people that are still alive
Go ahead and leave me
I think I prefer to stay inside
Maybe you'll find someone else to help you
Maybe black mesa
That was a joke (HA, HA)
Fat chance
Anyway this cake is great
It's so (4)_____ and moist
Look at me still talking
When there's science to do
When I look out there it (5)_____ me glad
I'm not you
I've experiments to run
There is research to be done
On the people who are (6)_____ alive
And believe me I am still alive
I'm (7)_____ science and I'm (8)_____ alive
I feel (9)_____ and I'm still alive
While you are dying I'll be still alive
And when you're dead I'll be still alive
Still alive
Still alive

Fill in the gaps

Answer

1. though
2. killed
3. tore
4. delicious
5. makes
6. still
7. doing
8. still
9. FANTASTIC
