

## Fill in the gaps

### The River by Good Charlotte & M. Shadow & Synyster Gates

As I walk through the valley  
Of the shadow of LA  
The footsteps that (1)\_\_\_\_\_ next to me  
Have gone their separate ways  
I've seen enough now to know  
That (2)\_\_\_\_\_ things  
Don't always stay that way  
I've done (3)\_\_\_\_\_ now to know  
This beautiful place isn't everything (4)\_\_\_\_\_ say  
I (5)\_\_\_\_\_ that evil comes disguised  
Like a city of angels  
I'm walking towards the light  
Baptized in the river  
I've seen a vision of my life  
And I want to be delivered  
In the city was a sinner  
I've done a lot of things wrong  
But I swear I'm a believer  
Like the prodigal son  
I was out on my own  
Now I'm (6)\_\_\_\_\_ to find my way back home  
Baptized in the river  
I'm delivered  
I'm delivered  
You're from a small town  
You're gonna grow up fast underneath these lights  
Down in Hollywood  
On the boulevard the dead come (7)\_\_\_\_\_ to life  
To the praying mother and the (8)\_\_\_\_\_ father  
Let (9)\_\_\_\_\_ children go  
If they come back they'll come home stronger

And if they don't you'll know  
They say that evil come disguised  
Like a city of angels  
I'm walking towards the light  
Baptized in the river  
I've seen a vision of my life  
And I want to be delivered  
In the city was a sinner  
I've done a lot of things wrong  
But I swear I'm a believer  
Like the prodigal son  
I was out on my own  
Now I'm trying to find my way back home  
Baptized in the river  
I'm delivered  
I'm delivered  
Baptized in the (10)\_\_\_\_\_ (on my own!)  
Baptized in the river (on my own!)  
I wanna be delivered  
On my own!  
On my own!  
Baptized in the river (on my own!)  
I wanna be delivered  
Baptized in the river (on my own!)  
I wanna be delivered  
Baptized in the river (on my own!)  
I wanna be delivered  
I confess I'm a sinner  
I've seen a vision of my life and I wanna be delivered

Answer

1. were
2. beautiful
3. enough
4. they
5. heard
6. trying
7. back
8. worried
9. your
10. river
