# Gives You Hell by The All-American Rejects

I (1)_____ up every evening

With a big smile on my face

And it (2)_____ (3)_____ out of place

And you're still probably working

At a nine to five pace

I wonder how bad that tastes

When you see my face

Hope it gives you hell

Hope it gives you hell

When you (4)_____ my way

Hope it gives you hell

Hope it (5)_____ you hell

Now where's you're picket (6)_____ love?

And where's that shiny car?

And did it ever get you far?

You (7)_____ seemed so tense love

I've never seen you fall so hard

Do you know where you are?

And truth be told, I miss you

And truth be told, I'm lying

When you see my face

Hope it gives you hell

Hope it gives you hell

When you walk my way

Hope it gives you hell

Hope it gives you hell

If you find a man who's worth a damn

And treats you well

Then he's a fool, you're just as well

Hope it gives you hell

Hope it (8)_____ you hell

...

Tomorrow you'll be thinking to yourself

"Where did it all go wrong?"

But the list goes on and on

And truth be told, I miss you

And truth be told, I'm lying

When you see my face

Hope it gives you hell

Hope it gives you hell

When you walk my way

Hope it gives you hell

Hope it gives you hell

If you (9)_____ a man that's worth a damn

And treats you well

Then he's a fool you're just as well

Hope it gives you hell

Now you'll never see

What you've done to me

You can take back your memories

They're no good to me

And here's all you're lies

You can look me in the eyes

With that sad, sad look

That you wear so well

...

When you see my face

Hope it gives you hell

Hope it gives you hell

When you walk my way

Hope it gives you hell

Hope it gives you hell

When you hear this song and sing along

Boy, You (10)_____ tell

Then you're a fool

I'm just as well

Hope it gives you hell

When you hear this song

I hope that it will give you hell

You can sing along

I hope that it will treat you well

Answer

1. wake
2. never
3. feels
4. walk
5. gives
6. fence
7. never
8. gives
9. find
10. never
