My Friends Over You by New Found Glory

It's my fault that it fell apart

Just maybe

You need this

And I (3)_____ mean to

Lead you on

You (4)_____ everything I wanted

But I just can't finish what I've started

There's no room left (5)_____ on my back

It was damaged long ago

Though you swear (6)_____ you are true

I (7)_____ pick my (8)_____ over you

My friends over you

Please tell me everything

That you (9)_____ that I should know
