

Fill in the gaps

My Friends Over You by New Found Glory

I'm drunk off your kiss
For another (1)_____ in a row
This is becoming too routine for me
But I did not mean to lead you on
And it's all right to pretend
That we still talk
It's just for show, isn't it
It's my (2)_____ that it fell apart
Just maybe
You need this
And I didn't mean to
Lead you on
You (3)_____ (4)_____ I wanted
But I (5)_____ can't finish what I've started
There's no room left here on my back
It was (6)_____ long ago
Though you swear that you are true
I still pick my friends over you
My friends over you
Please tell me everything
That you think that I should know
About all the plans you made
When I was nowhere to be found
And it's all right to forget
That we still talk
It's just for fun, isn't it
It's my fault that it fell apart
Just maybe you need this

And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends (7)_____ you
My friends over you
Just maybe you need this
You need this...
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was (8)_____ long ago
Though you swear that you are true
I still pick my friends over...
You (9)_____ everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still (10)_____ my friends over you
My friends over you

Answer
