

## Fill in the gaps

Heya Tom, it's Bob (1) the office down the hall	All we (13) to do is eat your brains
Good to see you buddy, how've you been?	We're at an impasse here
Thing have been OK for me	Maybe we (14) compromise
Except that I'm a zombie now	If you open up the doors
I really (2) you'd let us in	We'll all come inside and eat your brains
I think I speak for all of us when I say I understand	I'd (15) to help you Tom
Why you folks (3) to	In any way I can
(5) to our demand	I sure (16) the way you're
But here's an FYI	(17) with me
you're all gonna die screaming	I'm not a monster Tom
All we want to do is eat your brains	Well, technically I am
We're not unreasonable	I guess I am
I mean, no one's gonna eat your eyes	I've got another meeting Tom
All we want to do is eat your brains	Maybe we could wrap it up
We're at an impasse here	I (18) we'll get to common ground somehow
Maybe we (6) compromise	Meanwhile I'll report back to my colleagues
If you open up the doors	Who were chewing on the doors
We'll all come inside and eat your brains	I guess we'll (19) this for now
I don't want to nitpick, Tom	I'm glad to see you take constructive criticism well
But is this really your plan?	Thank you for your time
To spend your whole life locked (7) a mall?	I (20) we're all busy as hell
Maybe that's OK for now	And we'll put this thing to bed
But someday you'll be out of (8) and guns	When I bash your head open
And then you'll (9) to make the call	All we want to do is eat (21) brains
I'm not surprised to see	We're not unreasonable
You haven't (10) it through enough	I mean, no one's gonna eat (22) eyes
You (11) had the head for all that	All we want to do is eat your brains
Bigger picture stuff	We're at an (23) here
But Tom, that's what I do	Maybe we should compromise
And I (12) on eating you slowly	If you (24) up the doors
All we want to do is eat your brains	We'll all come inside and eat your brains
We're not unreasonable	
I mean, no one's gonna eat your eyes
