

## Fill in the gaps

### Nothing To Fear by Chris Rea

I feel your heat in dusty whispers

The wind is cold around your moon

It's getting hard to keep our distance

I (1)\_\_\_\_\_ your time is (2)\_\_\_\_\_ soon

Don't point your dream on my horizon

Don't take your rose too far from home

Please don't forget we're not each other

Each soul has black thorns of his own

I see you dancing

Your song is clear

You've got to show me, got to show me

There's nothing to fear

Nothing to fear

I have my loved (3)\_\_\_\_\_ you have yours

So let us (4)\_\_\_\_\_ upon the feast

In God's own name let's eat together

In God's own name please come in peace

See how our (5)\_\_\_\_\_ (6)\_\_\_\_\_ together

While you and me we stand alone

I know we'll never be each other

If I leave you (7)\_\_\_\_\_ me alone

I see you dancing

Your song is clear

You've got to show me, got to (8)\_\_\_\_\_ me

There's (9)\_\_\_\_\_ to fear

Nothing to fear

Answer

1. know
2. coming
3. ones
4. gaze
5. children
6. play
7. leave
8. show
9. nothing
