

Fill in the gaps

Diamonds And Rust by Judas Priest

I'll be damned, here comes your ghost again
But that's not unusual
It's just that the moon is full
And you decided to call
And here I sit, hand on the telephone
Hearing the voice I'd known
A couple of light years ago
Heading straight for a fall
But we both know what memories can bring
They bring diamonds and rust
Yes we both know what memories can bring
They bring diamonds and rust
Now I see you standing all around and snow in your hair
Now we're smiling out the window of the crummy hotel
(1)_____ Washington Square
Our (2)_____ comes on white clouds, mingles and
hangs in the air
Speaking strictly for me, we both could've died (3)_____
and there
Now you're telling me you're not nostalgic

Then give me another word for it
You were so good with words
And at (4)_____ things vague
'Cause I need some of (5)_____ vagueness now
It's all come back too clearly
Yes, I love you dearly
And if you're offering me diamonds and rust, I've already paid
But we both know what (6)_____ can bring
They bring diamonds and rust
Yes we both (7)_____ what (8)_____ can
bring
They bring diamonds and rust
Diamonds, Diamonds and Rust
Diamonds, Diamonds and Rust
Diamonds, Diamonds and Rust
Don't want no more diamonds, diamonds and rust

Fill in the gaps

Answer

1. over
2. breath
3. then
4. keeping
5. that
6. memories
7. know
8. memories
