

Fill in the gaps

Diamonds And Rust by Judas Priest

I'll be damned, here comes your ghost again
But that's not unusual
It's just that the moon is full
And you decided to call
And here I sit, hand on the telephone
Hearing the (1)_____ I'd known
A couple of light (2)_____ ago
Heading straight for a fall
But we both know what memories can bring
They bring diamonds and rust
Yes we both (3)_____ what memories can bring
They bring diamonds and rust
Now I see you (4)_____ all around and snow in
your hair
Now we're smiling out the window of the crummy hotel over
Washington Square
Our breath (5)_____ on white clouds, mingles and
hangs in the air
Speaking strictly for me, we both could've died then and there
Now you're telling me you're not nostalgic

Then (6)_____ me another word for it
You (7)_____ so good with words
And at keeping things vague
'Cause I need some of that vagueness now
It's all come back too clearly
Yes, I love you dearly
And if you're offering me (8)_____ and rust,
I've already paid
But we both know what memories can bring
They bring diamonds and rust
Yes we both know what memories can bring
They bring diamonds and rust
Diamonds, Diamonds and Rust
Diamonds, Diamonds and Rust
Diamonds, Diamonds and Rust
Don't (9)_____ no (10)_____ diamonds, diamonds
and rust

Answer

1. voice
2. years
