## Shelter by Birdy

## Fill in the gaps

I find shelter, in (1) way
Under cover, (2) away
Can you hear when I say
I (3) never felt this way?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I have said
Something that was wrong
Can I (4) it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
it left so crystal in the all
I still want to (5) you leave
I still want to (5) you leave
I still want to (5) (6) you leave  Please teach me (7) how to breathe
I still want to (5) (6) you leave  Please teach me (7) how to breathe  And I'll cross (8) (9) never before
I still want to (5) (6) you leave  Please teach me (7) how to breathe  And I'll cross (8) (9) never before  So you can feel the way I feel it too
I still want to (5) (6) you leave  Please teach me (7) how to breathe  And I'll cross (8) (9) never before  So you can feel the way I feel it too  And I'll sing images back at you
I still want to (5) (6) you leave  Please teach me (7) how to breathe  And I'll cross (8) (9) never before  So you can feel the way I feel it too  And I'll sing images back at you  So you can see the way I feel it too
I still want to (5) (6) you leave  Please teach me (7) how to breathe  And I'll cross (8) (9) never before  So you can feel the way I feel it too  And I'll sing images back at you  So you can see the way I feel it too  Maybe I have said
