Shelter by Birdy

Fill in the gaps

| I find shelter, in this way |
|--|
| Under cover, hide away |
| Can you (1) when I say |
| I have (2) felt this way? |
| Maybe I have said |
| Something that was wrong |
| Can I make it better |
| With the lights turned on? |
| Maybe I have said |
| Something that was wrong |
| Can I make it better |
| With the lights turned on? |
| Can I be? Was I there? |
| It felt so crystal in the air |
| I still (3) to drown (4) you leave |
| |
| Please (5) me gently how to breathe |
| Please (5) me gently how to breathe And I'll cross oceans like never before |
| |
| And I'll cross oceans like never before |
| And I'll cross oceans like never before So you can feel the way I feel it too |
| And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you |
| And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I (6) it too |
| And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I (6) it too Maybe I have said |
