Distance by Christina Perri

Fill in the gaps

he sun is filling up the room
And I can hear you dreaming
Do you feel the way I do, right now?
I wish we would just give up
Because the best part is falling
(1) anything but love
And I will make sure to keep my distance
Say I love you when you're not listening
And how long can we keep this up, up, up?
Please don't stand so close to me
I'm having trouble breathing
I'm afraid of what you'll see, right now
I'll give you everything I am
All my broken heartbeats
(2) I know you'll understand
(2) I know you'll understand And I will make sure to (3) my distance
And I will make sure to (3) my distance
And I will make sure to (3) my distance Say I love you when you're not listening
And I will make sure to (3) my distance Say I love you when you're not listening And how long can we keep (4) up, up, up?
And I will make sure to (3) my distance Say I love you when you're not listening And how long can we keep (4) up, up, up? And I keep waiting
And I will make sure to (3) my distance Say I love you when you're not listening And how long can we keep (4) up, up, up? And I keep waiting For you to take me
And I will make sure to (3) my distance Say I love you when you're not listening And how long can we keep (4) up, up, up? And I keep waiting For you to take me And you keep waiting
And I will make sure to (3) my distance Say I love you when you're not listening And how long can we keep (4) up, up, up? And I keep waiting For you to take me And you keep waiting To (5) we have
And I will make sure to (3) my distance Say I love you when you're not listening And how long can we keep (4) up, up, up? And I keep waiting For you to take me And you keep waiting To (5) (6) we have So I'll make sure to keep my distance
And I will make sure to (3) my distance Say I love you when you're not listening And how long can we keep (4) up, up, up? And I keep waiting For you to take me And you keep waiting To (5) (6) we have So I'll make sure to keep my distance Say I love you when you're not listening
And I will make sure to (3) my distance Say I love you when you're not listening And how long can we keep (4) up, up, up? And I keep waiting For you to take me And you keep waiting To (5) (6) we have So I'll make sure to keep my distance Say I love you when you're not listening And how long can we (7) this up, up, up?
