Distance by Christina Perri

Fill in the gaps

The sun is filling up the room
And I can (1) you dreaming
Do you feel the way I do, right now?
I wish we would (2) give up
(3) the best part is falling
Calling anything but love
And I will make sure to (4) my distance
Say I love you when you're not listening
And how long can we keep this up, up, up?
Please don't stand so close to me
I'm having trouble breathing
I'm afraid of what you'll see, right now
I'll give you everything I am
All my broken heartbeats
(5) I know you'll understand
(5) I know you'll understand And I (6) make sure to keep my distance
And I (6) make sure to keep my distance
And I (6) make sure to keep my distance Say I love you when you're not listening
And I (6) make sure to keep my distance Say I love you when you're not listening And how (7) can we keep this up, up, up?
And I (6) make sure to keep my distance Say I love you when you're not listening And how (7) can we keep this up, up, up? And I keep waiting
And I (6) make sure to keep my distance Say I love you when you're not listening And how (7) can we keep this up, up, up? And I keep waiting For you to take me
And I (6) make sure to keep my distance Say I love you when you're not listening And how (7) can we keep this up, up, up? And I keep waiting For you to take me And you keep waiting
And I (6) make sure to keep my distance Say I love you when you're not listening And how (7) can we keep this up, up, up? And I keep waiting For you to take me And you keep waiting To save what we have
And I (6) make sure to keep my distance Say I love you when you're not listening And how (7) can we keep this up, up, up? And I keep waiting For you to take me And you keep waiting To save what we have So I'll make sure to (8) my distance
And I (6) make sure to keep my distance Say I love you when you're not listening And how (7) can we keep this up, up, up? And I keep waiting For you to take me And you keep waiting To save what we have So I'll make sure to (8) my distance Say I love you when you're not listening
And I (6) make sure to keep my distance Say I love you when you're not listening And how (7) can we keep this up, up, up? And I keep waiting For you to take me And you keep waiting To save what we have So I'll make sure to (8) my distance Say I love you when you're not listening And how long can we keep this up, up, up?
