

Drunk by Ed Sheeran

I wanna be drunk when I wake up
On the right side of the wrong bed
And every excuse I made up
Tell you the truth I hate
What didn't kill me
It never made me stronger at all
Love will scar your make-up lip sticks to me
So now I'll maybe leave (1)_____ there
I'm sat here wishing I was sober
I know I'll never hold you like I (2)_____ to
But our house gets cold when you cut the heating
Without you to hold I'll be freezing
Can't rely on my heart to beat it
Because you take part of it every evening
Take words out of my mouth just from breathing
Replace with phrases like when you're leaving me
Should I, should I?
Maybe I'll get drunk again
I'll be drunk again
I'll be drunk again
To feel a little love
I wanna (3)_____ (4)_____ heart in both hands
I'll watch it fizzle at the bottom of a Coke can
And I've got no plans for the weekend
So shall we speak then
Keep it between friends
Though I know you'll never (5)_____ me like you used
to.
There maybe other people like us

Fill in the gaps

You see the flicker of the clip (6)_____ they light up
Flames just create us
Burns don't heal like before
You don't hold me anymore
On cold days Coldplay's out like the band's name
I know I can't heal things with a hand shake
You know I can't change as I began saying
You cut me wide open like landscape
Open bottles of beer but never champagne
We'll applaud you with the sound that my hands make
Should I, should I?
Maybe I'll get drunk again
I'll be (7)_____ again
I'll be drunk again
To feel a (8)_____ love.
All by myself
I'm here again
All by myself
You (9)_____ I'll never change
All by myself
All by myself
I'm just (10)_____ again
I'll be drunk again
I'll be drunk again
To feel a little love
