

## Fill in the gaps

| I wanna be drunk when I wake up                  |                       | You see the f    |
|--|-----------------------|------------------|
| On the (1)                                       | side of the wrong bed | Flames (6)_      |
| And every excuse I made up                       |                       | Burns don't h    |
| Tell you the truth I hate                        |                       | You don't hole   |
| What didn't kill me                              |                       | On cold days     |
| It never made me stronger at all                 |                       | I know I can't   |
| Love will (2) your make-up lip sticks to me      |                       | You know I ca    |
| So now I'll maybe leave back there               |                       | You cut me w     |
| I'm sat here wishing I was sober                 |                       | Open bottles     |
| I know I'll never hold you like I used to        |                       | We'll (8)        |
| But our house gets cold when you cut the heating |                       | make             |
| Without you to hold I'll be freezing             |                       | Should I, sho    |
| Can't rely on my heart to (3) it                 |                       | Maybe I'll get   |
| Because you take part of it every evening        |                       | I'll be drunk a  |
| Take words out of my mouth just from breathing   |                       | I'll be drunk a  |
| Replace with phrases like when you're leaving me |                       | To feel a little |
| Should I, should I?                              |                       | All by myself    |
| Maybe I'll get (4) again                         |                       | I'm here agai    |
| I'll be drunk again                              |                       | All by myself    |
| I'll be drunk again                              |                       | You know I'll    |
| To feel a little love                            |                       | All by myself    |
| I wanna hold your heart in both hands            |                       | All by myself    |
| I'll watch it fizzle at the bottom of a (5) can  |                       | I'm just drunk   |
| And I've got no plans for the weekend            |                       | I'll be drunk a  |
| So shall we speak then                           |                       | I'll be drunk a  |
| Keep it between friends                          |                       | To feel a little |
| Though I know you'll no                          |                       |                  |
| There maybe other people like us                 |                       |                  |

| You see the flicker of the clip when they light up |  |  |
|--|--|--|
| Flames (6) create us                               |  |  |
| Burns don't heal like before                       |  |  |
| You don't hold me anymore                          |  |  |
| On cold days Coldplay's out like the band's name   |  |  |
| I know I can't heal things (7) a hand shake        |  |  |
| You know I can't change as I began saying          |  |  |
| You cut me wide open like landscape                |  |  |
| Open bottles of beer but never champagne           |  |  |
| We'll (8) you with the sound that my hands         |  |  |
| make   |  |  |
| Should I, should I?                                |  |  |
| Maybe I'll get drunk again                         |  |  |
| I'll be drunk again                                |  |  |
| I'll be drunk again                                |  |  |
| To feel a little love.                             |  |  |
| All by myself                                      |  |  |
| I'm here again                                     |  |  |
| All by myself                                      |  |  |
| You know I'll never change                         |  |  |
| All by myself                                      |  |  |
| All by myself                                      |  |  |
| I'm just drunk again                               |  |  |
| I'll be drunk again                                |  |  |
| I'll be drunk again                                |  |  |
| To feel a little love                              |  |  |
