

Everybodys bleeding

Fill in the gaps

Mother mother tell your children	cause the times are tough
That their time has just begun	Well its hard to be strong
I have suffered for my anger	When theres no one to dream on
There are wars that cant be won	Faith: you know (8) gonna live thru the rain
Father (1) please (2) me	Lord you got to keep the faith
I am laying down my guns	Now you know is not too late
I am broken (3) an arrow	Oh you got to keep the faith
Forgive me	Faith: dont let your love turn to hate
Forgive your wayward son	Right now we got to
Everybody needs somebody to love	Keep the faith
(mother, mother)	Keep the faith
Everybody needs somebody to hate	Keep the faith
(please believe me)	Lord we got to keep the faith
Everybodys bitching	Walking in the footsteps
cause they cant get enough	Of societys lies
And its hard to hold on	I dont like what I see no more
When theres no one to lean on	Sometimes I wish that I was blind
Faith: you (4) youre gonna live (5) the	Sometimes I wait forever
Faith: you (4) youre gonna live (5) the rain	Sometimes I wait forever To stand out in the rain
