Somewhere over the rainbow by IZ

Fill in the gaps

Somewhere over the rainbow
Way up high
And the (1) that you dreamed of
(2) in a lullaby
Somewhere over the rainbow
Bluebirds fly
And the dreams (3) you dreamed of
Dreams really do come true
Someday I'll (4) upon a star
Wake up where the clouds are far behind me
Where trouble melts like lemon drops
High above the chimney (5)
That's where you'll find me
That's where you'll find me Somewhere over the rainbow
