

Fill in the gaps

Ldn by Lily Allen

Riding through the city on my bike all day
'Cause the filth (1)_____ away my license
It doesn't get me down and I feel O.K.
'Cause the sights that I'm seeing are priceless
Everything seems to look as it should
But I wonder what goes on (2)_____ doors
A fella looking dapper, but he's sitting with a slapper
Then I see it's a pimp and his crack whore
You might laugh, you might frown
Walking 'round London town
Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?
Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?
When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies
There was a little old lady who was walking down the road
She was (3)_____ with (4)_____
(5)_____ Tesco
There were people from the (6)_____ having lunch in the
park
I believe that it's called al fresco
When a kid came along to offer a hand
But before she had time to accept it
Hits her over the head, doesn't care if she's dead
'Cause he's got all her jewellery and wallet
You might laugh, you might frown
Walking 'round London town

Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?
Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?
When you look with (7)_____ eyes
Everything (8)_____ nice
But if you look twice
You can see it's all lies
Life, yeah that's city life, yeah that's (9)_____ life, yeah
that's city life
Life, yeah that's city life, yeah that's city life, yeah that's city
life
Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?
Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?
Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?
Sun is in the sky, oh why, oh why
Would I wanna be anywhere else?
When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies
When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies

Fill in the gaps

Answer

1. took
2. behind
3. struggling
4. bags
5. from
6. city
7. your
8. seems
9. city
