

Cameo lover by Kimbra

Fill in the gaps

This is nonstop baby
You've got me going crazy
You're heavier than I knew
But I don't want no other
You're my cameo love
Only here for a moment or two
You stay (1)_____ that bubble
With all of (2)_____ trouble
In your black hole
You turn from the skies
You dance with your demise
I'll be here when you come home
We've all gotta break down
Let me come and break down with you
Because everyday's like talking in your sleep
Love is like a silhouette in dreams
Open up your heart
Open up your heart
Open up your heart and let me pull you out
When everyday's like talking in your sleep
Love is like a silhouette in dreams
Open up your heart
Open up your heart
Open up your heart and let me pull you out of here
I've got (3)_____ hopes baby
But all you do is take me down to depths
That I never knew
You've got two arms baby
They're all tangled in ladies
of the (4)_____ skies (5)_____ blue
Let go of your mother

And turn to your brother
Not a long gone lover's noose
Sometimes (6)_____ the hardest part of breaking
is leaving (7)_____ behind you
Oh we've all (8)_____ get by
Let me come and hold you high, with you
When everyday's like talking in your sleep
Love is like a silhouette in dreams
Open up your heart
Open up your heart
Open up your heart and let me pull you out
When everyday's like talking in your sleep
Love is like a silhouette in dreams
Open up your heart
Open up your heart
Open up your heart and let me pull you out of here
(9)_____ up your heart to me
The sun won't (10)_____ if you're not looking
-Baby love is all that you need-
When everyday's like talking in your sleep
Love is like a silhouette in dreams
Open up your heart, open, open, open
When everyday's like talking in your sleep
Love is like a silhouette in dreams
Open up your heart
Open up your heart
Open up your heart and let me pull you out
Open up your heart
