It's five o'clock in the morning	Are you mine? are you mine?
(1) got boring	Because I stay here all the time
You said you're going to bed soon	(7) telly, drinking wine
So I snuck off to your bedroom	Who'd have known? who'd have known?
And I thought I'd just wait there	When you flash up on my phone
Until I heard you come up the stairs	I no longer feel alone
And I pretended I was sleeping	Let's (8) stay, let's just stay
I was hoping you would (2) in with me	I (9) lay in bed all day
Put your arm around my shoulder	We'll be laughing all the way
It was good, till it got colder	Told your friends, they all know
And we moved closer in, together	We exist, but we're taking it slow
And (3) talking about the weather	Let's just see how it goes
Said tomorrow would be fine	Now, let's see how it goes
And we could watch a (4) in the sun	En el cartel del vídeo:
I didn't know where this was going	-I want you to know that I have fallen deeply in love with
When you kissed me	Lily-
When you kissed me Are you mine? are you mine?	Lily- Are you mine? are you mine?
