Wonder by Natalie Merchant

Doctors have come from distant cities
Just to see me
Stand (1)_____ my bed
Disbelieving what they're seeing
They say I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
(2)_____ ask intimate questions
Want confessions
They reach into my head to
Steal the glory of my story
They say I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, fate smiled and
Destiny laughed as she (3)_____ to my cradle
Know this child will be able
Laughed as my body she lifted
Know (4)_____ child will be gifted
With love, with patience, and with faith

She'll (5)_____ her way, she'll make her way
People see me
I'm a challenge to your balance
I'm over your heads
How I confound you and astound you
To know I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, fate smiled and
Destiny laughed as she came to my cradle
Know this child will be able
Laughed as she (6)_____ to my mother
Know (7)_____ child will not suffer
Laughed as my body she lifted
Know this child will be gifted
With love, with patience and (8)_____ faith
She'll (9)_____ her way, she'll make her way
She'll (10)_____ her way
