

Fill in the gaps

Good life by One Republic

Woke up in London yesterday

Found (1)_____ in the (2)_____ near
Piccadilly

Don't really know how I got here

I got some pictures on my phone

New names and numbers that I don't know

Address to places like Abbey Road

Day turns to night,

night turns to whatever we want

We're young enough to say:

Oh this has gotta be the good life

This has gotta be the good life

This could really be a good life, good life

Say oh, got this feeling that you can't fight

Like this city is on fire tonight

This could really be a good life a good, good life

To my (3)_____ in New York, I say hello

My friends in L.A. they don't know

Where I've been for the past few years or so

Paris to China to Colorado

Sometimes there's airplanes I can't jump out

Sometimes there's bullshit that don't work now

We are good of (4)_____ but please tell me

What there is to complain about

When you're happy like a fool

Let it take you over

When everything is out

You gotta take it in

Oh this has gotta be the good life

This has (5)_____ be the good life

This (6)_____ really be a good life, good life

Say oh, got this feeling that you can't fight

Like this city is on fire tonight

This could really be a good life, a good, good life

A (7)_____ good life

Hopelessly

I feel like there might be something that I'll miss

Hopelessly

I feel like the window closes so quick

Hopelessly

I'm taking a mental picture of you now

(8)_____ hopelessly

The hope is we have so much to feel good about

Oh this has gotta be the good life

This has gotta be the good life

This could really be a good life, good life

Say oh, got this feeling that you can't fight

Like this city is on fire tonight

This could really be a good life, a good, good life

a good, good life

To my friends in New York, I say hello

My friends in L.A. they don't know

Where I've (9)_____ for the past few years or so

Paris to China to Col-or-ado

Sometimes there's airplanes I can't jump out

(10)_____ there's bullshit that don't work
now

We are god of stories but please tell me

What there is to complain about

Fill in the gaps
