Golden leaves by Passenger

Do you remember how this (1)_____ begun?
Teeth were white and our (2)_____ was young
Eyes as bright as the Spanish sun
We had nothing we could hide
Now my dear we are two golden leaves
Clinging desperately to winter trees
Held up here like a pair of thieves
While the sirens blare outside
What's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
Do you remember how this (3)_____ out?
So (4)_____ of hope but now we're filled with doubt
A dirty joke we used to laugh about

But it's not funny anymore
I fear I'll choke unless I (5)_____ it out
Still smell of smoke although the fire's gone out
Can't live with you but I'd die without
So what's left to say when (6)_____ word's been
spoken
What's left to see when our eyes won't open
What's (7)_____ to do (8)_____ we've lost all hope
and
What's left to break when our hearts are broken
But sometimes
What's left to say when every word's been spoken
What's left to see when our (9)_____ won't open
What's left to do when we've lost all hope and
What's (10)_____ to break when our hearts are broken
But sometimes
