Fill in the gaps

You called my (1) in the dark
(2) me back to the start
The condensation is building tension
Stubborn silence is formed
Around our bodies it's warm
The cool wet grasses as summer passes
(3) under attack
(4) flat on my back
(5) and legs
I'm too (6) to beg
(7) me most when it's light
Thought of you don't sit right
I need the darkness a desperate embrace
Razing (8) to dust
Faces (9) in lust
Faces (9) in lust Fallen empires and raging bushfires
Fallen empires and raging bushfires
Fallen empires and raging bushfires All your words unfounded
Fallen empires and raging bushfires All your words unfounded Secret lives bound in bed
Fallen empires and raging bushfires All your words unfounded Secret lives bound in bed Living backwards and tangled back words
Fallen empires and raging bushfires All your words unfounded Secret lives bound in bed Living backwards and tangled back words Ruined everything right
