Everything has changed by Taylor Swift

All I knew this morning when I woke is
I know something now, know something now I didn't before
And all I've seen since 18 hours ago is
Green (1)_____ and (2)_____ and your
smile
In the back of my mind making me feel like
I (3)_____ want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I just want to (4)_____ you better, know you better
(5)_____ you better now
I just want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know (6)_____ yesterday is everything has
changed
And all my walls
Stood tall painted blue
But I'll take them down, (7)_____ them (8)_____
And open up the door for you
And all I feel in my stomach is butterflies
The beautiful kind making up for lost time
Taking flight, making me (9)_____ like
I just (10)_____ to (11)_____ you better, know you
better
Know you better now
I (12)_____ want to know you better, know you better
Know you (13)_____ now
I (14)_____ want to (15)_____ you better, know you

All I (20)_____ is you (21)_____ the door

I (24)_____ (25)_____ to know you better, know
