Fill in the gaps

Safe & Sound (The hunger games) by Taylor Swift

I remember tears streaming down your face
When I said, I'll never let you go
When all those shadows almost killed your light
I (1) you said
Don't (2) me here alone
But all that's dead and (3) and passed tonight
Just (4) your eyes
The sun is going down
You'll be alright
No one can hurt you now
(5) morning light
You and I'll be safe and sound
Don't you dare look out your window
(6) everything's on fire
(6) everything's on fire The war outside our (7) keeps raging on
The war outside our (7) keeps raging on
The war outside our (7) keeps raging on Hold onto this lullaby
The war outside our (7) keeps raging on Hold onto this lullaby (8) when the music's gone, gone
The war outside our (7) keeps raging on Hold onto this lullaby (8) when the music's gone, gone Just close your eyes
The war outside our (7) keeps raging on Hold onto this lullaby (8) when the music's gone, gone Just close your eyes The sun is going down
The war outside our (7) keeps raging on Hold onto this lullaby (8) when the music's gone, gone Just close your eyes The sun is going down You'll be alright
The war outside our (7) keeps raging on Hold onto this lullaby (8) when the music's gone, gone Just close your eyes The sun is going down You'll be alright No one can hurt you now
The war outside our (7) keeps raging on Hold onto this lullaby (8) when the music's gone, gone Just close your eyes The sun is going down You'll be alright No one can hurt you now Come morning light
The war outside our (7) keeps raging on Hold onto this lullaby (8) when the music's gone, gone Just close your eyes The sun is going down You'll be alright No one can hurt you now Come morning light You and I'll be safe and sound
The war outside our (7) keeps raging on Hold onto this lullaby (8) when the music's gone, gone Just close your eyes The sun is going down You'll be alright No one can hurt you now Come morning light You and I'll be safe and sound Just close your eyes

You and I'll be safe and sound
