

Fill in the gaps

Need your love by The Temper Trap

The road is pulling me into her open web
And for a moment I (1)_____ and I forget
The silhouettes behind the dust clouds (2)_____ me
friend
But even fools know here
They're far and few between
She has abandoned me on highways and desert plains
Of lonely creatures singing for the summer rain
And at the end of all (3)_____ knees (4)_____
down to me
Yeah it's something in you always yearns for someone real
I need to love, I need your love,
I need you know, I (5)_____ you
I need to love, I need your love,
I need you know, I need you
She is my salvation in the dark
But at night with lips of honey calls the devil's wh*re
And I am a war of flesh and heart that's (6)_____
undone
Between the person that I was and have become

I need to love, I need (7)_____ love,
I need you know, I need you
I need to love, I need (8)_____ love,
I need you know, I need your love
I need to love, I need your love,
I need you know, I need you
I need to love, I need your love,
I need you know
There is no resting in my heart
There is no resting in my heart
There is no resting now
There is no resting in my heart
There is no resting in my heart
There is no resting in my heart
There is no resting for the one you love

Answer

1. escape
2. call
