Last mile of the way by Westlife

Fill in the gaps

I want you with me
(1) the ground starts to shake
I want you with me
Each day when I wake
And I hope you forgive me
All my mistakes
And yes, I'll be with you
To the last mile of the way
Like day turns to night
Stone (2) to dust
(3) life becomes memories
Steel becomes rust
Pain's just a lesson learned
We'll look (4) one day
And (5) take you with me
raid (o) take yea warme
To the last mile of the way
To the last mile of the way
To the last mile of the way To the last mile of the way
To the last mile of the way To the last mile of the way To the last (6) of the way
To the last mile of the way To the last mile of the way To the last (6) of the way It's time to move on now
To the last mile of the way To the last mile of the way To the last (6) of the way It's time to move on now So don't be afraid
To the last mile of the way To the last mile of the way To the last (6) of the way It's time to move on now So don't be afraid We should remember
To the last mile of the way To the last mile of the way To the last (6) of the way It's time to move on now So don't be afraid We should remember The roles that we played
To the last mile of the way To the last mile of the way To the last (6) of the way It's time to move on now So don't be afraid We should remember The roles that we played (7) the future
To the last mile of the way To the last mile of the way To the last (6) of the way It's time to move on now So don't be afraid We should remember The roles that we played (7) the future Has dark or bright days
