We come running by Youngblood Hawke

We come running
We come running
We come running
We come running
Under a pale blue sky
You never felt so cold
Another sleepless night
How could you ever let go
How do you recognize
The dirty face of gold
Behind that crooked line
Where you never knew you'd go
Headed for the open door
Tell me what you're waiting for
Look across the great divide
Soon they're going to hear the (1) _____

Never go where we belong
Echoes in the dead of dawn
Soon they're going to know the sound
The sound, the sound
When we come running
The sound, the sound, the sound
When we come running
When the world's gone quiet
I see you dancing slow
Feeling satisfied
Where you never knew you'd go
Headed for the open door
