

## Fill in the gaps

### It's Hard to Say Goodbye by Celine Dion & Paul Anka

There's something in your eyes that's far too revealing

Why must it be like this a love without feeling

Something wrong with you I know

I see it in your eyes

Believe me when I say

It's gonna be okay

I told you from the start I won't be demanding

I won't be demanding

If you have a change of heart

I'll be understanding

I'll be understanding

When (1)\_\_\_\_\_ (2)\_\_\_\_\_ a broken heart

And dreams begin to die

Believe me (3)\_\_\_\_\_ I say

We'll work it out some way

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

We've lost that loving touch

We used to (4)\_\_\_\_\_ so much

I try to hide the (5)\_\_\_\_\_ that's in my eyes

The love without feeling

But when I feel we're not in love

I know I'm losing you

Believe me when I say

We'll work it out some way

I'll never try to (6)\_\_\_\_\_ you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

Don't say goodbye

If it's what you want

It's what I want

I (7)\_\_\_\_\_ what's best for you

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

I'll be the first to (8)\_\_\_\_\_ you try

Believe me when I say

It's hard to say goodbye

I'll (9)\_\_\_\_\_ try to hold you back

I wouldn't try (10)\_\_\_\_\_ you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

(I'll be)

...

Answer

1. love
2. becomes
3. when
4. feel
5. truth
6. hold
7. want
8. help
9. never
10. controlling
