

## Fill in the gaps

### It's Hard to Say Goodbye by Celine Dion & Paul Anka

There's something in your eyes that's far too revealing

Why must it be like this a love without feeling

Something wrong with you I know

I see it in your eyes

Believe me when I say

It's gonna be okay

I (1)\_\_\_\_\_ you (2)\_\_\_\_\_ the start I won't be demanding

I won't be demanding

If you (3)\_\_\_\_\_ a (4)\_\_\_\_\_ of heart

I'll be understanding

I'll be understanding

When love becomes a broken heart

And dreams begin to die

Believe me when I say

We'll work it out some way

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

We've lost that loving touch

We used to feel so much

I try to hide the truth that's in my eyes

The (5)\_\_\_\_\_ (6)\_\_\_\_\_ feeling

But (7)\_\_\_\_\_ I feel we're not in love

I know I'm losing you

Believe me when I say

We'll work it out some way

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

Don't say goodbye

If it's what you want

It's what I want

I want what's best for you

I'll never try to (8)\_\_\_\_\_ you back

I wouldn't try controlling you

If it's what you want

It's what I want

I (9)\_\_\_\_\_ what's best for you

And if there's (10)\_\_\_\_\_ else that you're looking for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

(I'll be)

...

Answer

1. told
2. from
3. have
4. change
5. love
6. without
7. when
8. hold
9. want
10. something
