I Love My Computer by Bad Religion

I love my computer
You make me feel alright
Every waking hour
And every lonely night
I love my computer
For all you give to me:
Predictable errors and no identity
And it's never been quite so easy
I've never been quite so happy
All I (1)_____ to do is (2)_____ on you
And we'll be joined
In the most soul-less way
And we'll (3)_____ ruin each other's day
'cuz when I'm through I just click
And you (4)_____ go away
I (5)_____ my computer
You're always in the mood
I get so turned on

When I turn on you
I love my computer
You never ask for more
You can be a princess
Or you can be my whore
And it's never (6)_____ quite so easy
I've never been quite so happy
The world outside is so big
But it's (7)_____ in my domain
Because to you
I'm (8)_____ a number
And a clever screen name
All I need to do is click on you
And we'll be (9)_____ for eternity
And no one is ever gonna take my love
From me because I've got security
Her password and a key
