

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When (1)_____ legs don't work like they (2)_____ to
before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes (3)_____ smile from (4)_____
cheeks?
Darling I will be (5)_____ you till we're seventy
And baby my heart could still feel as hard at twenty three
And I'm thinking about how
People fall in love in mysterious ways
Maybe just the touch of a hand
Well me I fall in love with you every single day
And I just (6)_____ to tell you I am
So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm (7)_____ out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my (8)_____ don't play the strings the same
way
I know you (9)_____ (10)_____ love me the same
Because honey your (11)_____ could never
(12)_____ old

It's evergreen
And (13)_____ your smile is forever
In my mind and memory
I'm thinking (14)_____ how
People (15)_____ in (16)_____ in
(17)_____ ways
And (18)_____ it's all (19)_____ of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand
That baby now
Take me into (20)_____ loving (21)_____
Kiss me (22)_____ the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me (23)_____ (24)_____ (25)_____
arms
Kiss me under the light of a thousand stars
Oh darling, place your head on my beating heart
I'm thinking out loud
Baby we found love right where we are
Baby we found love right where we are
And we found (26)_____ right where we are

Answer

1. your
