Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't sweep you off of (1)_____ feet
Will your (2)_____ still remember the taste of my love?
Will your eyes still smile from your cheeks?
Darling I will be (3)_____ you till we're seventy
And baby my heart could still feel as hard at twenty three
And I'm thinking about how
People fall in love in mysterious ways
Maybe (4)_____ the touch of a hand
Well me I fall in love (5)_____ you every single day
And I just (6)_____ to tell you I am
So honey now
Take me into (7)_____ (8)_____ arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm (9)_____ out loud
Maybe we found love
Right (10)_____ we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same
Because (11)_____ your soul (12)_____ never
grow old

It's evergreen
And baby your smile is forever
In my (13)_____ and memory
I'm thinking about how
People fall in love in mysterious ways
And (14)_____ it's all part of a plan
I'll just keep on (15)_____ the same mistakes
Hoping that you'll understand
That (16)_____ now
Take me into your loving arms
Kiss me under the (17)_____ of a thousand stars
Place (18)_____ (19)_____ on my
(20)_____ heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, place (21)_____ head on my beating heart
I'm thinking out loud
Baby we (22)_____ love (23)_____ where we
are
Baby we found (24)_____ right (25)_____ we are
And we found love (26)_____ where we are
