Runaway by Bon Jovi

On the street where you live girls talk about their social lives
They're made of lipstick, plastic and paint, a touch of sable in
their eyes
All your life all you've asked when's your Daddy
(1)_____ talk to you
You were living in another (2)_____ tryin' to get your
message through
No one heard a single word you said
They should have seen it in your eyes
What was going (3)_____ your head
Chorus:
Ooh, she's a little runaway
Daddy's (4)_____ learned fast
All those things he couldn't say
Ooh, she's a little runaway
A different line every night guaranteed to blow your mind
I see you out on the streets, call me for a wild time
So you sit home alone 'cause there's nothing left that you can
do
There's only pictures hung in the (5)_____ left
there to (6)_____ at you
You know she likes the lights at nights on the neon
(7)_____ signs
She don't really mind, it's only (8)_____ she hoped to find

Repeat chorus
No one heard a single word you said
They should have seen it in your eyes
What was going around your head
Ooh, she's a little runaway
Daddy's girl learned fast
All those (9)_____ he couldn't say
Ooh, she's a little runaway
Daddy's girl (10)_____ fast
Now she works the night away
Ooh, she's a little runaway
Daddy's girl learned fast
All those things he couldn't say
Ooh, she's a little runaway
Daddy's girl learned fast
Now she works the night away
