

## Fill in the gaps

### If You Say So by Lea Michele

Seven whole days, seven (1)\_\_\_\_\_ days  
Since you paralyzed me  
Seven whole days, seven whole days  
Since you lost your fight  
And I can't get the last words (2)\_\_\_\_\_ you said  
Can't get those words out of my head  
Seven whole days, seven whole days and four words  
And I can't get away from the (3)\_\_\_\_\_ pain a  
light you wake  
And the fallen hero haunts my thoughts  
How could you leave  
me this way  
It's been seven whole days without your embrace  
I wanna see your face  
I got some things to say  
Was just a week ago  
You said I love you girl  
I said I love you more  
And a breath, a pause, you said, if you say so  
If you say so  
If you say so  
If you say so  
It's been seven whole days, seven whole days  
Since I heard the phone ring  
Seven whole days, seven whole days  
Since I heard your voice  
And I can't get the last words that you said  
Can't get those words out of my head  
It's been seven (4)\_\_\_\_\_ days, seven whole days of  
(5)\_\_\_\_\_ hurt  
And I can't get away from the burning pain a light you wake  
And the fallen hero haunts my thoughts

How could you leave me this way  
It's been seven whole days without your embrace  
I wanna see your face  
I got some things to say  
Was just a week ago  
You said I love you girl  
I said I love you more  
And a breath, a pause, you said, if you say so  
If you say so  
If you say so  
If you say so  
I can't believe it's true  
I keep looking for you  
I check my phone and wait to hear from you in a  
(6)\_\_\_\_\_ room  
The joker is so cruel  
And now I'll never know if all I've been told is just a lie so false  
  
I thought we would grow old  
Mirrors in the smoke  
Left me here (7)\_\_\_\_\_  
It's been seven whole days (8)\_\_\_\_\_ your  
(9)\_\_\_\_\_  
I wanna see (10)\_\_\_\_\_ face  
I got some things to say  
Was just a week ago  
You said I love you girl  
I said I love you more  
And a breath, a pause, you said, if you say so  
If you say so  
If you say so  
If you say so

**Fill in the gaps**

Answer

1. whole
