

## Fill in the gaps

From (1)	(2)	and talking le	oads	And I'll be me	
To (3)	(4)		in	Everything that's broke	
(5)(6)		(7)	you	Leave it to the breeze	
From (8)	touch and get	ting drunk		Why don't you be you	
To staying up and waking up (9) you				And I'll be me	
But now we're sleeping at the edge				And I'll be me	
Holding something we don't need				Trying to fit your (17) (18)	of mine
All this delusion in our heads	S			When we know it just don't belong	
Is gonna bring us to our kne	es			There's no (19) on earth	
So come on let it go				Could make me (20) right, no	
Just let it be				Whoa	
Why don't you be you				Trying to push this (21) up the hill	
And I'll be me				When it's (22) too heavy to hold	
Everything that's broke				Think now's the time to let it slide	
Leave it to the breeze				So (23) on let it go	
Why don't you be you				Just let it be	
And I'll be me				Why don't you be you	
And I'll be me				And I'll be me	
From (10)	clothes ac	ross the floor		Everything that's broke	
To (11) and claws and slamming doors at you			Leave it to the breeze		
If this is all we're living for				Let the ashes fall	
Why are we doing it, doing it	t, (12)	it anym	ore	Forget about me	
I used to recognize myself				Come on let it go	
It's (13) how	(14)			Just let it be	
change				Why don't you be you	
When we're becoming (15)		else	•	And I'll be me	
I think it's (16) to	walk away			And I'll be me	
So come on let it go					
Just let it be
