

## Fill in the gaps

From walking (1) and talking loads	And I'll be me
To (2) (3) in evening	Everything that's broke
(4) with you	Leave it to the breeze
From nervous touch and getting drunk	Why don't you be you
To staying up and waking up (5) you	And I'll be me
But now we're sleeping at the edge	And I'll be me
Holding something we don't need	Trying to fit (18) hand inside of mine
All this (6) in our heads	When we know it just don't belong
Is gonna (7) us to our knees	There's no force on earth
So come on let it go	Could make me feel right, no
Just let it be	Whoa
Why don't you be you	Trying to push (19) up the
And I'll be me	hill
Everything that's broke	When it's just too heavy to hold
Leave it to the breeze	Think now's the time to let it slide
Why don't you be you	So come on let it go
And I'll be me	Just let it be
And I'll be me	Why don't you be you
From throwing (8) across the floor	And I'll be me
To teeth and (9) and (10)	Everything that's broke
doors at you	Leave it to the breeze
If this is all we're living for	Let the ashes fall
Why are we doing it, doing it, anymore	Forget about me
I (11) to (12) myself	Come on let it go
It's funny how reflections change	Just let it be
When we're (13)	Why don't you be you
(14) else	And I'll be me
I (15) it's time to (16) away	And I'll be me
So (17) on let it go	
Just let it be	
Why don't you be you
