Save You by Simple Plan

Take a breath
I pull myself together
Just another step till I reach the door
You'll never know the way it tears me up inside to see you
I wish that I could tell you something
To take it all away
Sometimes I wish I could save you
And there're so many things that I want you to know
I won't give up till it's over
If it takes you forever I want you to know
When I hear your voice
It's drowning in a whisper
It's just skin and bones
There's nothing left to take
And no matter what I do I can't make you feel better
If only I could (1)_____ the answer
To help me understand
Sometimes I wish I could save you
And there're so many things that I want you to know
I won't give up (2)_____ it's over
If it takes you (3)_____ I want you to know

I'll pick you up off the ground
If you lose faith in you
