

Taken by One Direction

Now that you can't have me
You suddenly want me
Now that I'm with somebody else
You tell me you love me
I slept on your door step
Begging for one chance
Now that I finally move on
You say you (1)_____ me all along
Who do you think you are?
Who do you think I am?
You (2)_____ love to see me breaking
You only want me 'cause I'm taken
You don't really want my heart
No, you just like to know you can
Still be the one who gets it breaking
You only want me when I'm taken
You're messing' with my head
Girl, that's what you do best
Saying there's nothing you won't do
To get me to say yes
You're impossible to resist
But I wouldn't bet you heart on it
It's like I finally awake
And you're just a beautiful mistake
Who do you think you are?
