

Fireflies by Owl City

You would not believe your eyes
If ten million fireflies
Lit up the world as I fell asleep
'Cause they fill the open air,
And leave teardrops everywhere
You'd think me rude, but I would just (1)_____ and...
stare
I'd like to make myself believe
That planet Earth turns slowly
It's hard to say (2)_____ I'd rather stay awake when I'm
asleep
'Cause everything is never as it seems
'Cause I get a thousand hugs
From ten thousand lightning bugs
As they try to teach me how to dance
A (3)_____ above my head,
A (4)_____ hop beneath my bed,
A disco (5)_____ is just hanging by a thread (thread,
thread)
I'd like to make (6)_____ believe
That planet Earth (7)_____ slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems (when I fall asleep)
Leave my door open just a crack
(Please take me away from here)
'Cause I feel like such an insomniac

Fill in the gaps

(Please take me away from here)
Why do I tire of counting sheep?
(Please take me away from here)
When I'm far too tired to fall asleep
To ten million fireflies
I'm weird 'cause I (8)_____ good-byes
I got misty eyes as they (9)_____ farewell (they said
farewell)
But I'll know where (10)_____ are
If my dreams get real bizarre
'Cause I saved a few and I keep them in a jar(jar, jar, jar)
I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems (when I fall asleep)
I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems (when I fall asleep)
I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
Because my dreams are bursting at the seams

Answer

1. stand
2. that
3. foxtrot
4. sock
5. ball
6. myself
7. turns
8. hate
9. said
10. several
