Away From The Sun by Three Doors Down

it's down to this
I've got to make (1) life make sense
Can anyone tell what I've done
I missed a life
I missed the colors of the world
Can anyone tell where I am
'Cause now again I (2) myself so far down
Away from the sun that shines onto the darkest place
I'm so far down away from the sun again
Away (3) the sun again
I'm over there
I'm tired of living in the dark
Can anyone see me down here
The feeling's gone
There's (4) left to lift me up
Back into the world I know
Back into the world I know 'Cause now again I (5) myself so far down
'Cause now again I (5) myself so far down
'Cause now again I (5) myself so far down Away from the sun that shines onto the darkest place
'Cause now again I (5) myself so far down Away from the sun that shines onto the darkest place I'm so far down away from the sun
'Cause now again I (5) myself so far down Away from the sun that shines onto the darkest place I'm so far down away from the sun That shines to light the way for me
'Cause now again I (5) myself so far down Away from the sun that shines onto the darkest place I'm so far down away from the sun That shines to light the way for me To find my way back into the arms
'Cause now again I (5) myself so far down Away from the sun that shines onto the darkest place I'm so far down away from the sun That shines to light the way for me To find my way back into the arms And tell about the (6) like me
'Cause now again I (5) myself so far down Away from the sun that shines onto the darkest place I'm so far down away from the sun That shines to light the way for me To find my way back into the arms And tell about the (6) like me I'm so far down away from the sun again
'Cause now again I (5) myself so far down Away from the sun that shines onto the darkest place I'm so far down away from the sun That shines to light the way for me To find my way back into the arms And tell about the (6) like me I'm so far down away from the sun again It's down in there
