

Fill in the gaps

Science And Faith by The Script

Tried to break her to a science
in an act of good defiance
i broke her heart.
There's a pull up on her theories
there's a watch her growing weary
i broke her heart.
having heavy conversations
about the frivolous constellations of our souls. oh
we're (1)_____ trying to find some meaning
in the things that we believe in
but we got some ways to go.
of all of the (2)_____ that she's ever said
she goes and says (3)_____ (4)_____
just (5)_____ me dead.
You won't find faith or hope down a telescope
You won't find heart and soul in the stars
you can break everything, got the chemicals?
but you can't explain a love like ours.
ooohhhh
its the way we feel, yeh this is real.
ooohhhh
its the way we feel, yeh this is real.
i tried pushing evolution
as the obvious conclusion of the start.

but it was all my own amusement
saying love was an illusion of a hopeless heart.
of all of the things that she's ever said
she (6)_____ and says something that knocks me dead.
You won't (7)_____ faith or hope down a telescope
You won't find heart and soul in the stars
you can break everything, got the chemicals?
but you can't explain a love like ours.
ooohhhh
its the way we feel, yeh this is real.
ooohhhh
its the way we feel, yeh this is real.
of all of the (8)_____ that she's ever said
she goes and says something that just knocks me dead
You won't find faith or hope down a telescope
You won't find heart and soul in the stars
you can break everything, got the chemicals?
but you can't explain a love like ours.
ooohhhh
its the way we feel, yeh this is real
ooohhhh
its the way we feel, yeh (9)_____ is real

Answer

1. just
2. things
3. something
4. that
