Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember
You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So, when we found that we could not make sense
Well, you said that we (1)_____ still be friends
But I'll admit that I was glad that it was over
But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need (2)_____ love
But you treat me like a stranger and that feels so rough
No, you didn't (3)_____ to stoop so low
Have your (4)_____ collect your records and then
change your number
I guess that I don't need, that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now and then I (5)_____ of all the times you screwed
me over
But had me believing it was (6)_____ something
(7)_____ I'd done

But I don't wanna live that way, reading into every word you
say
You said that you could let it go
And I wouldn't catch you hung up on somebody that you used
to know
But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even (8)_____ your love
But you (9)_____ me like a stranger and that feels so
rough
No, you didn't have to stoop so low
Have your friends collect your records and then change your
number
I guess that I don't need, that though
Now you're just somebody that I (10)_____ to know
Somebody, I used to know
Somebody, now you're just somebody that I used to know
Somebody, I used to know
Somebody, now you're just somebody that I used to know
I used to know
That I used to know
I used to know
