

Inhale by Stone Sour

Come one and all and see the broken man,
Talking to himself
He (1)_____ and waits for something better,
He'll never find it here
The people touch his hair
And (2)_____ his cheek, he can't even feel it
There it goes again, he's listening to someone
He hears the bitter laughter
And all he wants to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the inhale (3)_____ makes the exhale
so (4)_____ better
He wipes his (5)_____ on anything in reach,
He never feels clean
He shakes at night (6)_____ his nerve is gone,
Every muscle hurts
Come one and all and see what happened,

Fill in the gaps

That broken man is me
There it goes again, I can hear it louder
It doesn't feel good anymore
All I (7)_____ to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the (8)_____ that makes the
exhale so much better
Now I know I disappear
I can't find my way from out of here
Everything is fading on me
Someone tell me
Someone tell me
Someone tell me
Why, does any of it matter? (I can't take it anymore)
