

## Fill in the gaps

| make the most of all the stress                   | can someone (4) the noise?                        |
|---|---|
| try to live without regret                        | i dont (5) what it is                             |
| out i m about to break a sweat                    | but it just dont fit                              |
| m freaking out                                    | consider me destroyed                             |
| ts like a poison in my brain                      | cause i dont know how to act cause i lost my head |
| ts like a fog that blurs the scene                | j i must be paranoid                              |
| ts like a vine you cant untame                    | i never thought it would come to this             |
| oh im freaking out                                | im paranoid                                       |
| everytime i turn around                           | stuck in the room                                 |
| something dont feel right                         | were staring faces                                |
| (1) be paranoid                                   | ohh   |
| m boarding the lines                              | im (6) in a nightmare                             |
| cause they just might split                       | i cant wake up                                    |
| can someone stop the noise?                       | if you hear my cry running threw her streets      |
| dont know what it is                              | im about to ffreak                                |
| out it just dont fit                              | come and rescue me                                |
| m paranoid  | she might be paranoid                             |
| yeah  | yeah  |
| take the next stairway steps                      | im (7) the lines cause they just might            |
| to get some air into my chest                     | split   |
| cant hear the thoughts inside my head             | can someone (8) the noise?                        |
| m still freaking out                              | i dont know what it is                            |
| hats why my ex is stil Imy ex                     | but it (9) dont fit                               |
| never (2) a word she says                         | consider me destroyed                             |
| m (3) all the background checks                   | i dont (10) how to act cause i lost               |
| and shes freaking out                             | cause i lost my head                              |
| everytime i turn around somethings just not right | i must be paranoid                                |
| might be paranoid                                 | i never thought it would come to this             |
| m boardin the lines cause they just might split   | im paranoid                                       |

- 1. might
- 2. trust
- 3. runnin
- 4. stop
- 5. know
- 6. caught
- 7. boarding
- 8. stop
- 9. just
- 10. know
