As Long As You Love Me by Backstreet Boys

Although loneliness has always been a friend of mine

I'm leavin' my life in your hands

People say I'm crazy and that I am blind

Risking it all in a glance

And how you got me blind is still a mystery

I can't get you out of my head

Don't care what is written in your history

As long as you're here with me

I don't care who you are, where you're from, what you did

As long as you love me

Who you are, where you're from, don't care what you did

As (1)_____ as you love me
