Welcome To My World by Depeche Mode

Welcome to my world
Step right through the door
Leave your tranquilizers at home
You don't need them anymore
All the drama queens are gone
And the devil got this (1)_____
He backed up and fled this town
His master plan delayed
And if you stay a while
I'll penetrate your soul
I'll bleed into (2)_____ dreams
You (3)_____ to lose control
I (4)_____ into your eyes
I make your (5)_____ see
I'll open endless (6)_____
And right your broken wings
Welcome to my world
Welcome to my world
Welcome to my world
Watch the sunrise set

And the moon (7)_____ to blush
And make it in a search
Translucently too much
And I hold you in my arms
I keep you by my side
And we sleep the devil's sleep
Just to keep him satisfied
And if you stay a while
I'll penetrate your soul
I'll bleed into your dreams
You want to lose (8)_____
I weep (9)_____ your (10)_____
I make your vision see
I'll open endless skies
And right your broken wings
Welcome to my world
